Tayrona Park

This is Colombia's oldest colonial city, with numerous historic sites, monuments, and buildings that are part of the country's colonial architecture and culture and led it to be called a "Tourist, Cultural and Historic District".

- **Location:** On the shores of the Caribbeab sea, in the department of Magdalena.
- **Temperature:** 28°C.
- **How to get there:** By air or the trunk roads coming from the interior of the country.

Experiencing Santa Marta
On land

Visit the various historic attractions offered by the city. For nature lovers, the list of interesting sites is long: Sierra Nevada de Santa Marta , with the tallest snow peaks in the country; Ciénaga Grande, an extensive marsh; and Taganga, a fishing village with exquisite gastronomy. Mountain biking, horseback riding, bird watching , and canopying are among other possible activities.
