Location

The Tequendama Crowne Plaza convention center is located between 26th and 28th Streets and between Carreras 10 and 13 in the so-called International Center of the city, a section which has traditionally been the financial and banking core of the city and which is close to El Dorado International airport and the city's historic center.

Capacity

The Tequedama Crowne Plaza Convention Center has a large salon for conferences and 16 meeting rooms. The main salon, called the Salón Rojo, can hold 1,700 people and may be divided into six smaller salons. The rest of the salons have a capacity of 10 to 500 people, as necessary.
