Experience and discover Medellín as a golfing destination.

Medellín is the capital of the department of Antioquia and the second largest city in Colombia, found in the north east of the country. It is known as the city of eternal spring for its fortunate climate and agreeable temperatures. Medellín is considered one of the most dynamic and enterprising cities in South America.

It has a sound and diverse economy which has made it an important industrial, commercial and financial center in the country. The textile and clothing sector has become a catalyst for Latin American fashion.

The city of Medellín is an ideal place for those who want to experience a magical time and have an agreeable stay in this beautiful city with excellent infrastructure and a climate well-suited to playing golf.

Golf courses demand the most from players in order to surmount their difficult obstacles.

The courses are designed by national and international figures such as Mark Mahannah and Karl Parrish. The courses require players to be good so as to overcome the difficult obstacles such as trees over 30 meters high, bunkers and lakes.

Get to know the innumerable opportunities for fun and business on offer in Medellín.

Play golf and enjoy a destination full of entertainment and new developments.
