

Colombia: the fruit country

Typical, international, and fusion cuisines in several styles are available in Bogotá. Wining and dining, and ending up dancing in one of the hottest spots in the savanna are possible in Bogotá. The 93rd Street Park, the T and M Zones, La Macarena, Usaquén, and Chía concentrate the best restaurants of this exquisite destination.

**If you are interested in Bogota, it's rumba and gastronomy. The follow information could be usefull.:**
