Bucaramanga is the capital of this adventure land that has the best flying spots in Colombia for ten-minute paragliding flights, 60-meter cable flying, and rappelling 65 meters down one of the best waterfalls in Santander, the Salto del Cañaverlito.

Words are not enough to describe white water rafting on the Fonce River, cave exploration in the Cueva del Indio, and a chiva tour from Floridablanca to San Gil to Girón and Barichara, known as “the prettiest village village in Colombia.
